[42 FR 56060, Oct. 20, 1977, as amended at 56 FR 46988, Sept. 19, 1991]

§ 706.6 Penalties.

(a) Criminal penalties are imposed by section 201(f) of the Surface Mining Control and Reclamation Act of 1977, Pub. L. 95-87, which prohibits each employee of the Office or any other Federal employee who performs any function or duty under the Act from having a direct or indirect financial interest in underground or surface coal mining operations. The Act provides that whoever knowingly violates the provisions of section 201(f) shall, upon conviction, be punished by a fine of not more than \$2,500, or by imprisonment for not more than one year, or both.

(b) Regulatory penalties are imposed by this part. The provisions in section 201(f) of the Act make compliance with the financial interest requirements a condition of employment for all Office employees and for other Federal employees who perform any functions or duties under the Act. Accordingly, an employee who fails to file the required financial statement will be considered in violation of the intended employment provisions of section 201(f) and will be subject to removal from his or her position.

§ 706.11 Who shall file.

(a) Every employee in the Office is required to file a statement of employment and financial interests.

(b) Any other Federal employee who performs any function or duty under the Act is required to file a statement of employment and financial interests. The Head of each other Federal agency and the Heads of other bureaus and offices within the U.S. Department of the Interior shall prepare and submit a report within 60 days of the effective date of these regulations, either listing the Federal positions identified as performing functions or duties under the Act, or listing the organizational unit and showing the total number of employees within the unit who must file a statement. Revision to the listing or certification that revision is not required shall be submitted to the Director by no later than September 30 of each year. The Secretary, the Director, or the Heads of the other affected Federal organizations may revise the list by the addition or deletion of positions at any time such revisions are required to carry out the purpose of the law or regulations of this part. Additions to or deletions from the list of positions are effective upon notification to the incumbents.

§ 706.13 When to file.

(a) Employees performing functions or duties under the Act will be required to file:

(1) Within 120 days of the effective date of these regulations, and

(2) Annually on February 1 of each year or at such other date as may be agreed to by the Director, provided that such alternative date will allow sufficient time to obtain information needed by the Director for his or her annual report to the Congress.

(b) New employees hired, appointed, or transferred to perform functions or duties under the Act will be required to file at the time of entrance to duty.

(c) New employees are not required to file an annual statement on the subsequent annual filing date if this date occurs within two months after their initial statement was filed. For example, an employee entering duty on December 1, 1978 would file a statement on that date. Because December 1 is within two months of February 1 the employee would not be required to file his or her next annual statement until February 1, 1980.
